Welcome,

Our families would like to invite you to our 46th Annual Production Sale. We are so grateful to all our past customers for your patronage and welcome new buyers and interest in our cattle.

We are very proud of the bulls and heifers we are offering for our annual sale. We strive to produce cattle that will perform, stay sound, and be productive for your ranch. Our cowherd is culled very rigidly...udders, hooves, structure, and disposition. The mother cow is a definite priority to breed back, stay in good rig, milk and have mothering ability.

The bulls have been grown, fed to stay sound and developed for long time use. The offering represents a complete test from birth to sale day. Hereford bulls are polled and horned (dehorned) and have as much pigment that we have ever produced. The Angus bulls are stout with tremendous performance and disposition.

Join us for lunch on Saturday, April 8, 2023 and look over one of the deepest set of Angus and Hereford bulls we have ever offered. Again this year we are selling a group of outstanding registered Hereford heifers and a powerful group of Angus heifers. They are home raised and right from our replacements.

Thank you for your friendship, patronage and interest in our cattle. See you on April 8th!

The Bill and Paula Thorstenson Families

For more information contact:

Thorstenson Hereford Ranch

30491 131st St.

Selby, SD 57472

Sired by 25L and out of one of our best cow families. Thor is a sire that is better than breed average in many measureable traits and is a trait leader in six different traits. This unique tabulation puts him in a category of only a few select sires in AHA. His sons and daughters indexed the highest in our herd of the sires we used. Co-owned with Frederickson Ranch and ABS.

Domino 6107 is a herd bull we purchased from Pyramid Beef. He is a really attractive, long, muscular herd bull sired by one of the leading sires for many years in the Hereford breed. His dam is one of their leading cows on the ranch and is now in their flush program. A very strong maternal sire and a really good all-around useful sire.
