## **Welcome from the crew at Thorstenson Hereford Ranch,**

We would like to extend a special invitation to you to be with us on Saturday, April 9, 2011 for our annual bull sale at the ranch.

It is real exciting to be in agriculture with much optimism in our business today. With both cattle and grain prices reaching new plateaus for price, this is a reality that is almost unheard of.

We will be handling our sale a little different this year. The bulls will be videoed prior to the sale and we will sell by video auction. The bulls will be penned for your viewing and the auction will begin at 1:00 pm CST. The Hereford Connection will be handling the videoing and we hope you like this new format.

The bulls have been doing quite well considering the tough winter we have been having. We have had considerable snow this winter with colder than normal temperatures. The good hair coat on our bulls is a must in this harsh environment.

Feel free to look at the bulls any time prior to the sale. If you can't make it to the auction, contact me and I can direct your bids to one of the field men. Lunch will be served at 11:30 am. Please join us.

Thanks for your interest and hope to see you on April 9!  
Bill Thorstenson

67T is sired by the great sire Final Answer. He is powerful in his volume, depth of body and overall thickness. Low birth weight, big performance and tremendous depth of body describe 67T's breeding performance. Daughters are calving and look very good... thick and easy doing with beautiful udders.
